NURSE'S REPORT

For the year ending January 31, 1931

I hereby make public, a statistical and a narrative report of the work that I have done in the Town of Hampton since I began my service here on December 28, 1929.

School Supervision:

Classroom Inspections	495
Building Inspections	110
Classroom talks	78
Parent Consultations	225
Classes taught	108

Classification of Visits:

Pre-school	384
Pre-natal	48
Infant Welfare	186
Home Visits (School)	408
Home Visits (Adults)	524
School Visits	413

Children examined by the School Physician 393

Classification of defects:

Skin	19	(18 improved under treatment)
Teeth	216	(84 improved under treatment)
Hearing	4	(3 improved under treatment)
Vision	26	(12 improved under treatment)
Malnutrition	153	(28 improved under treatment)
Tonsils and Adenoids	66	(3 improved under treatment)
Cardiac	1	

Unvaccinated without proper excuse 18

(There were 47 vaccinated since last examination)

Contagion: There has been very little contagion in the town for the percentage of population. During the year there were the following exclusions from the school:

Impetigo	8
Skin rash	1
Measles	2
Septic sore throat	5
Tonsilitis	2
Inflamed eyes	1

Special activities during the year:

January

I took several suspicious underweight children to the T. B. and Underweight Clinic at Exeter, N. H. The Clinic was held under the direction of Dr. Kerr.

May

May 1st was observed as National Child Health Day in the schools. Health songs, conundrums, games and discussions pertaining to health were the feature of the day.

June

June 4th was the dedication of the Tuck Memorial Athletic Field. I observed that date by entering a float to represent the Hampton Health Department. I also had my class in Home Hygiene and Care of the Sick, dress in Red Cross costumes and carry the American Flag as well as the Red Cross Banner. June 12th I had a vaccination Clinic at the Centre School. We had fifteen applications for vaccination. June 28th, assisted by Miss Eunice Hardy of the State Dept. of Infancy, Maternity and Child Hygiene we put on a Child Health Conference.

September

I had simple exercises for the presentation of the Red Cross Certificates of the three classes that I taught last Spring.

Dr. Fernald did the annual examination of the children as usual during September and October.

October

I attended the Institute for the school Nurses at Concord, N. H. I found this very interesting as well as beneficial. There were many points brought up that I have used a great deal in my work here.

November

Dr. G. Arthur Danforth of Manchester came to us and started our dental clinic which is still going on. During the year I have given several talks in the clubs and lodges around town.

Official Visits from the following:

Miss Eunice Hardy, R. N., N. H. State Board of Health, Dept. of Maternity, Infancy and Child Hygiene.

Miss Elizabeth Murphy, R. N., N. H. State Supervisor of School Nurses.

Miss Myrtle Flanders, R. N., American National Red Cross.

Miss Loretta Landry, R. N., N. H. State T. B. Nurse, Portsmouth.

Dr. Arthur G. Leacock National Red Cross, Exeter, N. H.

Miss Frankfurter, Jewish Welfare Society, Boston, Mass.

Miss Sara O'Mera, Metropolitan Life Insurance Co., Albany, N. Y.

Mr. Russell H. Leavitt, High School Agent, Concord, N. H.

Mr. Roy W. Gillmore, Superintendent of Schools, Hampton, N. H.

Each morning we served the undernourished, and any others that desired it, milk and cookies. This has done a great deal to increase the weight of those who were below normal.

There has been a noon lunch served during the winter months under the direction of Miss Eleanor Janvrin. This has also helped to build up many little bodies that otherwise would have had to eat a cold lunch.

I wish that we might have a little more cooperation in carrying out our vaccination law. It seems to be something that most people dread. I will say that it is merely a safe-guard for the prevention of small pox. The state law requires that all children shall be vaccinated unless excused because of physical reasons. I hope that we will have the cooperation of every parent in this matter so that we may have a hundred percent when schools open in September.

This has been a very eventful year, and in spite of the many changes I will say that it has been a very interesting one. The few months that I was under the supervision of the Hampton Red Cross were very pleasant and I miss the contact very much, although the place was very ably filled with our Health Officer, Mr. William Brown. I have found both him and the other officers of the Town of Hampton very co-operative, loyal and willing to assist me at all times in any trouble that might arise.

I wish to take this opportunity to thank everyone who has assisted me in my work here and in looking forward to another year I hope that the residents of Hampton will realize that I am here to be of service to each and every one of them.

Respectfully submitted,

N. ELIZABETH HILLS, R. N.
